Now available for long term rental - The property is located in a very quiet area of ??the Sotogrande Alto area, with 24 hour security. It has 3 bedrooms, although one of the rooms can be used exclusively as a guest room or provide an office or study room, among many other ideas. Upon entering the property, to the left we have the kitchen, very secluded, with dark furniture and a rustic and cozy touch; as we continue advancing through the property we will find one of the rooms, which can have any other use, then the living room. As we continue advancing, we find a corridor that leads to the rooms, the first one that we find in a very spacious room with the bathroom outside the room but in the same corridor, then the main room with a private bathroom. The property is located in a small square with many flowers, where if you have small children they can play without problem, since cars cannot circulate there. On the other hand, the urbanization has a beautiful communal garden from which you can access the communal pool, padel tennis and kids play area .
